APPLICABILITY/ACCOUNTABILITY

This policy applies to all units, colleges, and divisions of the University of Central Florida that make policy on behalf of the university or the specific unit, college, or division.

BACKGROUND INFORMATION

The University of Central Florida Board of Trustees is charged with the administration of the University of Central Florida, including the adoption of regulations that explain to its constituents and the public how the powers and duties of the Board are implemented. Recognizing the benefit of creating a system-wide procedure for the adoption of such pronouncements, in July 2005 the Florida Board of Governors approved a procedure for
the adoption, amendment and repeal of university regulations in the Regulation Development Procedure for State University Boards of Trustees.

DEFINITIONS

Internal management memoranda. Statements, such as policies or memoranda, adopted by the university or a division or unit thereof, or by the Board of Trustees, that do not affect the private interests of any person and which have no application outside the University of Central Florida. For example, a policy that requires the approval of the department head to initiate payment to a vendor is a matter of internal management.

Select university regulation. A term adopted by the Board of Governors to refer to a university regulation that pertains to student tuition and fees, admissions, or articulation. Select university regulations require approval by the Florida Board of Governors prior to taking effect.

University regulation. University regulations are statements of general applicability adopted by the Board of Trustees (or its designee) to implement its powers and duties in relation to the conduct or action of constituents or the public. University regulations must be consistent with law and the resolutions, rules, and strategic plan of the Florida Board of Governors. University regulations do not include the following:

- internal management memoranda
- legal memoranda, opinions, and guidelines
- preparation of the budget
- negotiated contractual provisions, including those reached as a result of collective bargaining
- curriculum and other academic requirements

PROCEDURES

When a unit, college, division, or the Board of Trustees identifies a need to make a written statement to inform the general public of how a power or duty of the Board of Trustees is to be exercised, the Office of the General Counsel should be consulted to prepare a draft regulation. Once the draft regulation is approved by the Board, then it will be considered an adopted regulation. The procedure is identical for proposed amendments to or repeals of existing university regulations.

The Office of the General Counsel will process all proposed university regulations, as well as all proposals to amend or repeal university regulations. The Office of the General

Select university regulations must be approved by the Florida Board of Governors after approval by the Board of Trustees.
